# SPARK

**Recommended Maths  
average: <40%**

**Revive Math Enthusiasm:** Our Spark Package reignites the joy of learning for struggling learners. We provide hope for catching up and understanding math better.

**Strong Foundations:** We focus on foundational basics, building your child's confidence in mathematics. They'll gain a solid understanding of the subject.

**Immediate Support:** With human-hour tutoring and a hotline, your child will never feel lost or frustrated. We're here to provide constant support and improvement.

# IGNITE

**Focused Learning:** The Ignite Package targets specific topics, accelerating progress for average performing learners. Your child gains confidence for exams.

**Confidence Builder:** Through automated feedback quizzes and personalized guidance, we equip your child to approach exams with confidence. We're all about improvement.

**Path to Excellence:** Parents seeking improvement will love the Ignite Package. We're your child's partner on their journey to better math skills.

**Recommended Maths  
average: 40%-65%**

# ACHIEVER

**Recommended Maths  
average: 40%-65%**

**Excellence Together:** Achiever is for high performing learners who desire recognition and collaboration. It's a path to academic excellence with a focus on mastering complex questions.

**Problem-Solving Skills:** Your child will not only solve complex math questions but also understand how to tackle tricky problems. Excellence is our goal.

**Collaborative Community:** With access to a forum, your child engages with confident, curious learners. It's a platform for support, curiosity, and achieving excellence.

# STUDENT JOURNEY

## SIGN UP & REGISTRATION

**Seamless Onboarding:** Joining Vumba is easy and quick. We've designed our registration process to be user-friendly and straightforward, so you can get started without any hassle.

**Understanding Your Starting Point:** Your journey begins with a benchmarking assessment. This assessment isn't just another test; it helps us understand your unique strengths and areas that need improvement. We focus on where you are to guide you to where you want to be.

## BENCHMARKING ASSESSMENT

**Your Personal Learning Guide:** At Vumba, you're not alone. You'll be paired with a dedicated academic support coach who's here to answer questions, offer guidance, and provide personalized assistance. Your coach will be there to support your growth and success.

## ACADEMIC SUPPORT COACH

**Personalized Learning Path:** Based on your assessment and goals, we create a tailored learning path just for you. Dive into interactive lessons and engaging exercises, designed to help you master Mathematics.

## START LEARNING

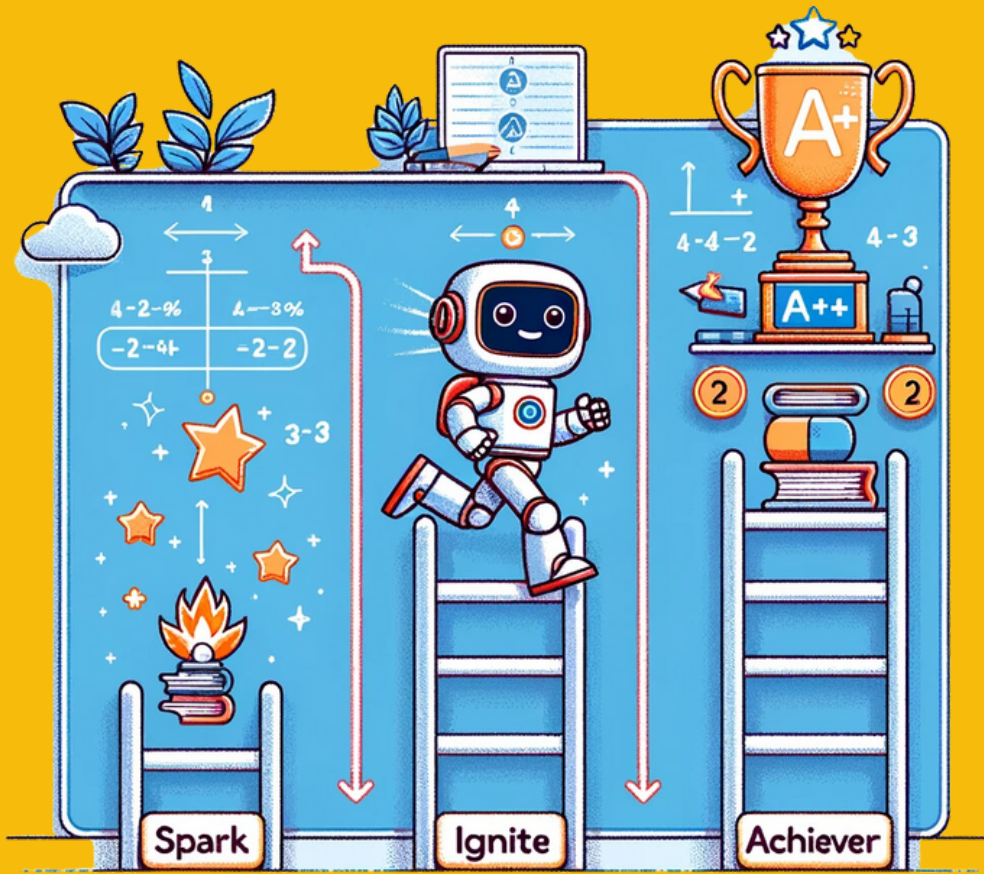

**Tracking Your Progress:** It's important to know how you're doing. With Vumba, you have access to detailed progress reports. See your improvements, identify areas for further growth, and track your academic achievements.
